

ADMINISTRATIVE SERVICES DEPARTMENT [11]

Adopted and Filed Emergency

Pursuant to the authority of Iowa Code sections 8A.104 and 8A.413 the Department of Administrative Services hereby amends Chapter 60, “Separations, Disciplinary Actions and Reduction in Force,” Iowa Administrative Code.

The purpose of this amendment is to comply with 2010 Iowa Acts, Senate File 2062, enacted by the second session of the eighty-third General Assembly and signed by the Governor on February 10, 2010. Iowa Acts, Senate File 2062, establishes a state employee retirement incentive program for eligible executive branch employees, requires the adoption of administrative rules, and provides that such rules may be adopted on an emergency basis pursuant to Iowa Code section 17A.4, subsection 3, and section 17A.5, subsection 2, paragraph “b.”

In compliance with Iowa Code section 17A.4(3), the Department finds that notice and public participation are impracticable due to the immediate need for rule making to administer the aspects of the program approved by the legislature.

The Department also finds, pursuant to Iowa Code section 17A.5(2)“b”(2), that the normal effective date of the amendment should be waived and the amendment should be made effective upon filing with the Administrative Rules Coordinator on March 29, 2010, as it confers a benefit upon the executive branch agencies and its employees.

The Department adopted this amendment on March 29, 2010.

This amendment is intended to implement 2010 Iowa Acts, Senate File 2062 and Iowa Code sections 8A.413.

This amendment became effective on March 29, 2010.

The following amendment is adopted.

Adopt **new** subrule 60.1(7) as follows:

60.1(7) State employee retirement incentive program— Fiscal Year 2010.

a. This state employee retirement incentive program is provided for in 2010 Iowa Acts, Senate File 2062.

b. To become a program participant, an employee must complete and file a program application form on or before April 15, 2010, and must terminate employment no later than June 24, 2010.

c. For purposes of this program, the following definitions shall apply:

“Employee” means an employee of the executive branch of this state, including an employee of a judicial district of the department of correctional services, an employee of the fair board, an employee of the state board of regents if the board elects to participate in the program, and an employee of the department of justice. However, “employee” does not mean an elected official.

“Eligible employee” means an employee who is employed on February 10, 2010, who is age 55 or older on July 31, 2010, and who has submitted an application by the employee’s last day of employment to the Iowa Public Employees’ Retirement System to begin monthly retirement benefits by July 2010. “Eligible employee” shall include employees who began receiving IPERS monthly benefits prior to February 2010 if the employee is employed on February 10, 2010 and terminates employment on or before June 24, 2010. “Eligible employee” shall not include an employee who is eligible for the

sick leave conversion program as described in section 70A.23, subsection 4, or a former employee who withdraws the application for monthly retirement benefits from the Iowa Public Employees' Retirement System before receiving the first month of benefits.

“Participant” means an eligible employee who, on or before April 15, 2010, submits an application to participate and does participate in the state employee retirement incentive program established by this subrule. For the purposes of this program, a person remains a participant after all benefits under this program have been made.

“Program” means the state employee retirement incentive program established in Senate File 2062.

“State” means the State of Iowa and all of its branches, departments, agencies, boards, or commissions, including judicial district department of correctional services and the state board of regents.

d. A participant who elects to remain in the state's retiree health insurance group plan may receive a health insurance contribution benefit. The health insurance contribution benefit consists of up to five years of contributions toward retiree health insurance. The contributions shall be used to pay the employer's portion of health insurance cost. The department shall determine the contribution rate based on the employer's contribution to an existing state plan.

A participant shall begin receiving the health insurance contribution benefit once payments, if any, under Iowa Code section 70A.23 cease, and shall continue to receive such benefits for five years after termination of employment. If a participant is not eligible for payments under Iowa Code section 70A.23, the participant will begin receiving health insurance contribution benefits the month following termination of

employment and shall continue to receive such benefits for five years after termination of employment.

e. All existing rules and policies regarding continuation of insurance and changing health insurance plans shall apply to participants and surviving spouses covered by the program.

f. A participant will receive a years of service incentive payment for five years after termination of employment. The payments shall include the entire value of the participant's accrued but unused vacation leave and, for participants with at least ten years of state employment, one thousand dollars for each year of state employment, up to twenty-five years of employment. State employment shall include all past and present employment with the State, regardless of whether the employee took a refund of the contributions made to IPERS for a prior period of service, if the employee provides adequate documentation of prior periods of employment. The payment shall be paid in five equal installments beginning in September 2010 and ending in 2014.

g. If a participant dies within five years of termination of employment, the participant's beneficiary will receive any remaining years of service incentive benefits. If the participant's surviving spouse is covered on the participant's state retiree health insurance plan, the surviving spouse may elect to continue health insurance coverage and will receive any remaining health insurance contribution benefits under this program. If the surviving spouse was not covered by the participant's insurance plan, or if there is no surviving spouse, any remaining health insurance contribution benefits are forfeited.

h. A participating employee, as a condition of participation in this program, shall waive any and all rights to receive payment for accrued vacation pursuant to Iowa Code

section 91A.4 and shall waive all rights to file suit against the state of Iowa, including all of its departments, agencies, and other subdivisions, based on state or federal claims arising out of the employment relationship.

i. The administrative head, manager, supervisor, or any employee of a department, agency, board, or commission of the state of Iowa shall not coerce or otherwise influence any state employee to participate or not participate in this program.

j. A participant is not eligible to accept any further employment with the state, other than as an elected official or a member of a board or commission, from the date of termination from employment. A participant may not enter into a contract to provide services to the state as an independent contractor or a consultant.
